## HOME OF ENTREPRENEURS AND INNOVATORS „IM LÄNDLE“

As the entrepreneurship and innovation center in the region, we support energetic and passionate creators and guide them through their entrepreneurial journey.

We promote a spirit of entrepreneurship and entrepreneurial culture and create a home for all players in the startup and innovation ecosystem.

Through our regional roots, international mindset, and sustainable actions, we inspire, inform, empower and connect.

Find us at the SMIT Startup Corner and network with the most promising med-tech startups.
